SKU:

## Product Description

[Download Data Sheet](#)

### GTAG5 Retro fit Air-Guard Kit

Designed for non standard cut-outs in both existing and new raised floors. The GTAG5 features the “better seal” overlapping brush system to form a flush custom fit grommet solution. Materials can be cut on site to seal an opening up to a maximum size of 610mm x 250mm.

- Brush sections and side rails made from flame retardant materials
- Brushes designed to overlap to form a better seal
- Brush profile fitted with adhesive tape to assist easy installation
- Side rails can be cut to form a fully protective edge
- 2 stock kit sizes , GTAG5-300 (305mm x 250mm) GTAG5-600 (610mm x 250mm)
- Custom sizes available
